

Roadmap

ROADMAP OF Crypto_Stonnies

Get Ready to Upgrade your Collection on your Favourite Blockchains Polygon (GEN 1) & Solana (GEN 2)!

We are glad to present our ROADMAP for our project, We want to share every detail of our journey with you! We want to gain your trust & we want you to see how we deliver on our promises

1) NEW BEGINNINGS: January 2022

- Our Team started working on this project in January 2022!

2) PROMOTING MONTHS: September & October

- Started working on building our Community!
- Created our Twitter & Discord Accounts!
- Our main Aim for September and October was to complete our Website & Launch it!
- Auto-Generated our 250 (1st Gen) NFTs
- Finalized Official Dates for our Launch!

3) PRE-LAUNCH: December and January

- Going to Arrange a MEME CONTEST for our Community Members!
- Started Collaborations & Giveaways with our Fellow Projects to support each other & Also to expand our Audiences!
- Organizing Whitelist Contest to appreciate our OGs!
- Completed our whole Artwork to give you all the Ideas about what Quality you're going to get here!
- Voting for a DAO!

4) Release: TBA

- Releasing our Rarity after our Launch!
- Listing on all Major Secondary Marketplaces!

5) Future of Crypto_Stonnies:

- We start shipping out the goods based on the performance of the Project.

- Launch of our Merch store.
- We also Create a Token on Polygon and Solana.
- We are going to Launch our Crypto_Stonnies Gen 2!
- Token integration into the Merch store

We are open to your suggestions & we're more than willing to put your bright ideas into action
